General product information

Model type Under counter refrigerator

GTIN 4016803110835

Series pure

Output and consumption

Energy efficiency class **D**

Energy consumption per year **71 kWh/a**

Climate class **SN-T**

Noise level **34 dB**

Connection rating **1.2 A**

Voltage **220-240 V ~**

Frequency **50 Hz**

Refrigerant **R 600a**

Control and functions

Control **minimal UI**

Number of temperature zones **1**

Temperature display **Refrigerator**

SuperCool **Adjustable on appliance and via app**

Door alarm, cooling **Adjustable on appliance and via app**

NightMode **–**

Display lock **Adjustable on appliance**

Control unit	Touch
Malfunction: Warning signal	optical and acoustical
BottleTimer	–
Connectivity solution *	–

Refrigerator compartment

Adjustable temperature range, refrigerator compartment	+3 °C to +9 °C
Refrigerator compartment climate zones	Fruit and vegetable compartment
Defrosting method	automatic
Pull-out system drawer, refrigerator compartment	–
Illumination cooling compartment	LED lighting, right, integrated in the UI
Number of storage shelves, refrigerator compartment	4
Of which separable	0
of which height-adjustable	3
Bottle storage	–
Number of EasyFresh safe(s)	0
Bottle rack	1

Number of can racks	2
---------------------	---

Egg tray	10 eggs
----------	---------

Number of FlexCubes	0
---------------------	---

Storage rack	Bottle and can rack
--------------	---------------------

Height-adjustable inner door shelf	Gradual adjustment
------------------------------------	--------------------

Design and materials

Material door shelves	Transparent plastic
-----------------------	---------------------

Storage shelf material, refrigerator compartment	Glass
--	-------

Colour	White
--------	-------

Door colour	White
-------------	-------

Side wall material	steel
--------------------	-------

Handle	Recessed grip
--------	---------------

Set-up and installation

Door hinges	Right reversible
-------------	------------------

Door hinge replacement	Possible for customer
------------------------	-----------------------

Door opening angle	211°
--------------------	------

Door seal	Replaceable
-----------	--------------------

Height-adjustable feet	2
------------------------	----------

Ventilation	Front ventilation
-------------	--------------------------

Connector cable (length)	2,000 mm
--------------------------	-----------------

Specifications

Exterior dimensions: height/width/depth	85 / 50 / 60.7 cm
---	--------------------------

Height / Width / Depth (with packaging)	911.0 / 517.0 / 711.0 mm
---	---------------------------------

Weight (without packaging)	31 kg
----------------------------	--------------

Weight (with packaging)	33.5 kg
-------------------------	----------------

Total volume **	110 l
-----------------	--------------

Volume, refrigerator compartments	111 l
-----------------------------------	--------------

* SmartDevice functionality based on availability

** In accordance with Regulation EU 2019/2016, we show the total volume as an integer (rounded down) and the volume of the freezer and freshness compartments with one digit after the decimal point. The complete range of efficiency classes can be found on page 9. According to (EU) 2017/1369 6a. The term "volume" refers to the term "total volume" mentioned in the current regulation.

Please note: despite careful data management, we reserve the right to make technical changes; and discrepancies may occur between the image or text content and the original appliance. *According to guarantee terms and conditions for the 10-year manufacturer's guarantee: home.liebherr.com/guarantee
